Step 3: Make a Sketch of Your Idea

The image shows a stylized illustration of a computer monitor. The screen area is filled with a colorful abstract pattern of shapes in shades of light blue, dark blue, and green. Below the screen, there are several horizontal bars representing the bezel and base: a grey bar, a green bar, a black bar, and another grey bar. A grey trapezoidal shape at the bottom represents the stand. A white callout box with a black border and a tail pointing to the 'Ai' icon is positioned over the screen. The text inside the callout box is 'Step 4: Open Illustrator CC 2015'. The 'Ai' icon itself is a small orange square with the letters 'Ai' in white, and a black mouse cursor arrow is pointing at it from the right.

Step 4: Open Illustrator CC 2015
